Science Contact Phone _____

Science Contact Email Address _____

School Address _____

Student's science courses taken (with grades). Include transcript if possible.

Special science projects undertaken by student (if any). Please list on separate sheet if more space is required.

PLEASE READ CAREFULLY AND FOLLOW ALL INSTRUCTIONS

Application package requirements:

1. Completed nomination form.
2. An essay by the applicant explaining why they would like to participate in the program.
3. Completed transportation form. This form must be co-signed by the applicant's parents.
4. TWO recommendations from a high school faculty member who has worked with the applicant.
Recommendation letters from outside of the school will be considered, but are not necessary.
5. Science Grades

Completed nomination packets may only be submitted by the high school science chairperson, not the student. Please note that the COMPLETE application package must be received by CSHL no later than April 7, 2017. Both students and science department contacts must be active on email for updates and communication. An incomplete application will not be reviewed or considered. Due to the high volume of incoming applications, we will be unable to notify you if your student's application is incomplete. Faxes will not be accepted.

Completed packages should be mailed to:

Marygrace Navarra
Cold Spring Harbor Laboratory
P.O. Box 100
Cold Spring Harbor, NY 11724

Your student will receive an email from CSHL confirming receipt of their nomination. Please notify us if your school submitted a nomination and the student did not receive a confirmation email. All applicants will be notified regardless if they have been accepted for an interview or not. Please note that it takes approximately eight weeks after the application deadline to review all of the applications. We anticipate notifying the students regarding the status of their application by late May or early June.

Questions regarding this program should be directed to: (516) 367-6984.
