

MEETING AGENDA

Non-Opioid Management of Chronic Pain: Developing Value-Based Models for Diagnosis and Treatment

The Banbury Center, Cold Spring Harbor Laboratory, New York, USA
September 16-19, 2018

This meeting was funded by **The MAYDAY Fund**

Organizers:

Daniel Clauw, University of Michigan

Linda Porter, National Institute of Neurological Disorders and Stroke

Advances in our understanding of chronic pain provide an opportunity to introduce innovative care models that could increase the quality of care while reducing costs. This meeting convened stakeholders, constituents and thought leaders to develop value-based models for diagnosis and treatment of chronic pain.

SUNDAY, SEPTEMBER 16
