

## MEETING AGENDA

# Intermediate Indicators for Impact: The art and science of effective definition and use of prevention indicators in the HIV response

The Banbury Center, Cold Spring Harbor Laboratory, New York, USA  
May 12-15, 2019

This meeting was funded by the **Bill and Melinda Gates Foundation**

### Organizers:

Charles Holmes, Georgetown University;  
Nduku Kilonzo; National AIDS Control Council of Kenya  
Mary Mahy; UNAIDS

This workshop brought together those experienced with collecting and analyzing data, with those responsible for using the knowledge generated, and those affected by the programs, to explore how indicators and metrics can be optimized to impact the HIV epidemic over the coming decades.
