

Cold Spring Harbor Laboratory

Sydney Brenner Research Fellowship Virtual Symposium

Presented by the
CSHL Center for Humanities & History of Modern Biology

Join us for a special virtual event featuring the recipients of the Sydney Brenner Research Fellowship. The fellows will share highlights from their research projects and reflect on their experiences working with the rich collections of the CSHL archives.

Friday, January 16, 2026
1:30pm-3:30pm (EDT)

Symposium Talks and Speakers

Mushrooms and Molecules

Brad G Bolman, Tulane University

A "Cold Spring Harbor in Europe"? Framing the European Molecular Biology Laboratory (1964-1974)

Francesco Cassata, University of Genoa

Confirmation Studies: Bacteriophage Genetics and what it meant for Soviet Science.

Miriam Lipton, Oregon State University

The Brief Tenure of Biometry at Cold Spring Harbor Laboratory and Mathematics in the Horse Box

Jemma Lorenat, Pitzer College

It was Heaven: Evelyn Witkin at Cold Spring Harbor Laboratory and Beyond

Rena Selya, Cedars-Sinai Medical Center

**This event will be held virtually via ZOOM —
all are welcome to attend!**

**To register, please email Tricia Loria at Loria@cschl.edu.
